representing t	m an attorney licensed to practice the Vendor referenced in this mat ffidavit and accept the responsibili	tter, and have full authority from the Vendor to
Human Resou Alabama law to public agencie Secrets Act, A	ources for RFP #  to permit the public to examine doi ies, other than those legitimately r	tting a proposal to the Alabama Department of Public agencies in Alabama are required by ocuments that are kept or maintained by the meeting the provisions of the Alabama Trade and that the Department is required to review

- 3. I have read and am familiar with the provisions of the Alabama Trade Secrets Act, am familiar with the case law interpreting it, and understand that all information received in response to this RFP will be available for public examination except for:
  - (a) trade secrets meeting the requirements of the Act; and
  - (b) information requested by the Department to establish vendor responsibility unless prior written consent has been given by the vendor.
- 4. I am aware that in order for the Vendor to claim confidential material, this affidavit must be fully completed and submitted to the Department, and the following conditions must be met by the Vendor:
  - (a) information to be withheld under a claim of confidentiality must be clearly marked and separated from the rest of the proposal;
  - (b) the proposal may not contain trade secret matter in the cost or price; and
  - (c) the Vendor's explanation of the validity of this trade secret claim is attached to this affidavit.
- 5. I and the Vendor accept that, should the Department determine that the explanation is incomplete, inadequate or invalid, the submitted materials will be treated as any other document in the department's possession, insofar as its examination as a public record is concerned. I and the Vendor are solely responsible for the adequacy and sufficiency of the explanation. Once a proposal is opened, its contents cannot be returned to the Vendor if the Vendor disagrees with the Department's determination of the issue of trade secret confidentiality.

6. I, on behalf of the Vendor, warrant that the Vendor will be solely responsible for all legal costs and fees associated with any defense by the Department of the Vendor's claim for trade secret protection in the event of an open records request from another party which the Vendor chooses to oppose. The Vendor will either totally assume all responsibility for the opposition of the request, and all liability and costs of any such defense, thereby defending, protecting, indemnifying and saving harmless the Department, or the Vendor will immediately withdraw its opposition to the open records request and permit the Department to release the documents for examination. The Department will inform the Vendor in writing of any open records request that is made, and the Vendor will have five working days from receipt of the notice to notify the Department in writing whether the Vendor opposes the request or not. Failure to provide that notice in writing will waive the claim of trade secret confidentiality, and allow the Department to treat the documents as a public record.

Documents that, in the opinion of the Department, do not meet all the requirements of the above will be available for public inspection, including any copyrighted materials.
